

# DACIA HJD 180° FRONT CAMERA

## 8201 70 15 92

*After-sales integrated 180° front view camera dedicated to Dacia HJD platform, built at OEM quality standards*

### **Panoramic view**

The 180° front camera assists in leaving the parking place, crossing low visibility intersections, or climbing the steep slopes of underground parking.

### **Protection**

Getting better visibility, protecting the car, pedestrians and reducing the risk of accidents.

### **Unobtrusive fitting**

Designed especially for Dacia Duster and integrated in car's front grille.

# DACIA HJD 180° FRONT CAMERA

## 8201 70 15 92

### FUNCTIONS

### TECHNICAL DATA

Video output

CVBS

Active pixels

1280(H) x 720(V)

Image sensor

1/4" CMOS

Frame

60fps

Horizontal angle of view (HOV)

194° ± 2°

Vertical angle of view (VOV)

142° ± 2°

Power Consumption

≤ 200mA

Operation Voltage range

DC6÷16V

Waterproof resistance

IP69K

Operation Temperature

-40°C ÷ +85°C

Installation time

1.4 h
